

CPA Transportation Cancellation Procedure

2017 - 2018 School Year

Sturgeon Creek Alternative Program & SonShine Christian Kindergarten

Please be advised of the following procedure for bus cancellations.

Cancellations are to be communicated to the group stop leaders 30 minutes prior to scheduled departure to ensure significant time for group stop leaders to contact the rest of the group.

Just because the buses are cancelled it doesn't mean the school is closed, please check out the RRDSB website for school closures.

1) The bus drivers determine if the buses are running for the school day. A cancellation in the morning is a cancellation in the evening.

2) For PM Cancellations/Delays the bus drivers and group stop leaders will contact the rest of the stop by either using the AM # or PM #.

***For a PM cancellation, a bus will do the Fort Frances line and return and then do the Rainy River line, therefore, only the student's families on the Rainy River line will need to be contacted.**

2) The bus drivers will contact;
