### Sponsor Child

We have reached our total of \$456 to cover this year's sponsorship of Manuela Ramirex Terraza, our sponsor child from Guatemala. Thanks to all those who donated. We will continue to collect contributions each Wednesday in order to meet next year's total!

### Grad Pictures

A photographer from Lifetouch Canada will be at the school to take photos of our grade 8 and grade 12 students on Friday, **March 2**.

### OSAP

The new Ontario Student Assistance Program (OSAP) is a financial aid to help students pay for college or university. OSAP is not just loans, it's a combination of grants and loans. You could receive one or both types of funds. The amount is different for everyone because it's based on your unique financial need.

We share the **AIR**

Let's keep it  
**SCENT FREE**

Due to the health concerns arising from exposure to scented products, the Rainy River District School Board is requesting that all schools and work sites be as "Scent Free" as possible. Scented products can trigger allergies in both staff and students. These products can include: shampoo, hairsprays, deodorants, colognes, perfumes, lotions and creams, soap, cosmetics, air fresheners, oils and candles.

Please refrain from wearing and/or bringing scented products to school. Thank you for your cooperation.

### From the *NOFU*

**Stay warm while playing!** All winter activities require warm, dry clothing. To prevent frostbite, warm clothes are best, including a close-fitting hat that covers the ear lobes, mittens, loose layers, wool or wool-blend socks, and boots. Remove wet clothes and shoes quickly as they are the biggest factors in frostbite.
